IMPORTANT LEGAL INFORMATION - PLEASE READ: AgSource Cooperative Services (AgSource) is a certified affiliate and dairy records processing center of the United States Council on Dairy Cattle Breeding and is a subsidiary of Cooperative Resources International, an agricultural holding cooperative, which supplies beef and dairy semen and pedigree certificates and other services world-wide. This Certificate is provided for animals destined for export under the auspices of the Livestock Exporters Association of the USA (LEA). In preparing and/or issuing this Certificate, AgSource and LEA have relied solely and exclusively upon information provided by third parties without any verification thereof, and AgSource and LEA disclaim any obligation or duty to verify or confirm the accuracy or completeness of the information contained in the Certificate. This certificate and all information contained herein is provided on an "as is" basis and neither AgSource or LEA make any warranties, representations or guarantees as to the accuracy or completeness of such information. AgSource and LEA hereby disclaim all warranties regarding this certificate and the information contained here, whether express or implied, including any warranties of performance, reliability, merchantability, or fitness for a particular purpose. AgSource and LEA hereby also disclaim any and all liability arising out of or relating to this certificate, the information set forth herein, or any reliance by any third party upon this certificate or any information contained herein. Any person relying upon this certificate is advised to independently verify the accuracy and completeness of the information set forth in this certificate.
